3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale, can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer, for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

The earnest money will not be adjusted towards the value of timber, until 90 per cent of the purchase money over and above the security deposit has been paid.

FOREST DEPARTMENT.

HASSAN DISTRICT.

Notification dated 20th May 1930.

Tenders will be received by the District Forest Officer, Hassan, at the District Forest Office, Hassan, up to 4 p.m., on the 18th June 1930 for the Koti preparation of sandalwood during the year 1930-31. The approximate quantity to be prepared will be 350 tons or more (outturn).

2. Tenders should be registered, insured and superscribed as "TENDER FOR THE KOTI PREPARATION OF SANDALWOOD". The tender should be accompanied by a deposit of Rs. 50 (rupees fifty) in currency notes. The rate to be quoted should be per ton of wood. (Please see note N. B. below) :—

4. Within eight days from the date of intimation of the fact of approval, the successful tenderer, shall furnish a security of Rs. 250 (two hundred and fifty) including the initial deposit referred to above in the shape of Mysore Government Savings Bank Account, duly pledged in favour of the District Forest Officer, Hassan District, and execute an agreement on a duly stamped paper binding himself of observing the following conditions :—

5. The earnest deposit money in the case of all unsuccessful tenderers will be duly returned to them in person or at their cost if by post.

Conditions.

- (a) That the contractor shall be ever ready during the period of contract to employ as many number of coolies who know how to work at sandal so as to turn out the allotted quantity every week, fortnight or month as may be assigned.
- (b) That in case the contractor fails to employ the required number of coolies required so as to turn the allotted quantity of prepared wood at any time, the officer in charge of the Koti shall make his own arrangements for the preparation of the wood by employing coolies making the contractor liable to pay up the cost even though it may happen to be extra. The contract will also be liable for

cancellation at the discretion of the District Forest Officer on account of default.

- (c) The Koti preparation work will be commenced at 8 A.M., and continued till 6 P.M., every day with an interval of an hour or two from 12 noon.
- (d) The available tools in the Koti shall be spared for work and in case the number of coolies are more in number than the tools available, the contractor should himself provide the extra tools required. The tools spared from the Government should be returned in fact as otherwise, the cost thereof will be deducted from out of the contractor's dues or from his security deposit amount.
- (e) That the contractor should be present at the sandal *koti* at all times the preparation is going on and he shall be solely responsible for all acts and omissions by his coolies.
- (f) That the *koti* preparation will be done in strict conformity with the assortment rules and as per directions of the officer in charge of the *koti*. That the rough wood to be given will be *'otwar* and until such lots once given are all fully worked out and assorted, no further fresh lots will be given out for assortment.
- (g) That payments will be made to the contractor after the wood is prepared, classified weighed and put into lots in the *koti* lot room once every month generally at the close of the month. The assortment includes the putting up into lots of white wood of different classes also.
- (h) That no smoking will be permitted anywhere in the precincts of the sandal *koti* building and that in case of danger to the sandalwood by fire the contractor will be liable to the Department for damages which will be recoverable as if it were an arrear of land revenue.
- (i) That the contractor and his coolies will submit to the disciplinary measures that may have to be enforced by the *koti* officer during working hours.
- (j) That for failure to fulfil all or any of the foregoing conditions, the contractor shall be liable for such fine as the District Forest Officer at his discretion may levy in addition to the forfeiture of the security deposit to Government which will be recoverable as an arrear of land revenue.

N.B.—As a rule higher rates are payable for the superior classes of prepared wood and less for chilta classes. Hence two different rates should be quoted in the tender one for the outturn of superior classes and the other for lower since the object aimed at is that greater care should be taken by the contractor to see that the *koti* preparation work is conducted on principles of economy so as not to waste heartwood by conversion into chips.

The contract will also be

liable for cancellation at the discretion of the District Forest Officer, on account of such default.

(c) The loading and unloading business will be done so as not to give room for leakage or damage of sandalwood and that, in either case, the contractor will be liable to the Department for the loss so sustained.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the Department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof, will be accepted if tendered on the spot, and the payment of deposit in such cases will not be insisted.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 500 in each case are subject to the confirmation of the Conservator and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay the full amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance if any, after deducting the price so fixed from the original sale amount. A registered notice shall be issued to the defaulter intimating the price fixed by the District Forest Officer, for the unsold wood and the amount still due from him will be recovered as arrears of land revenue.

6. The deposits tendered by unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. If the amount is not fully paid for by the purchaser on the sale date, the initial deposit as well as the other moneys already paid in, shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser.

8. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the Depot.

9. Timber purchased shall be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7, *supra*. Timber not removed after purchase, will remain in the Depot at the risk of the purchaser from the date of the confirmation of the sale.

10. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

11. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

Notification dated 2nd June 1930.

		No.	C.ft.	
Harihar Timber Depot.	(1) Yetiga rafters	340	214	More or less.
	(2) Hunal reepers	...	1,025 R.ft.	

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof, will be accepted if tendered on the spot, and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any time without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be taken as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation by the Conservator of Forest in case the sale amount exceeds Rs. 1,000.

5. After conclusion of the sale, each purchaser shall pay ten per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In case of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer, for the unsold wood and the amount still due from him which will be recovered as arrears of Land Revenue.

6. The deposits tendered by unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000, provided the full value is paid not later than the 20th June 1930. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber, until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase, will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed.
